Notice of Intent to Award MBTA IFB-16-01 for CalACT-MBTA Bus Shelters

The MBTA staff has evaluated the bid submitted in response to the subject solicitation. Based on the evaluation criteria contained in the solicitation, the following firms are proposed to be included in the CalACT-MBTA Local Government Purchasing Schedule for the provision of bus shelters and accessories:

LNI Custom Manufacturing Inc., 12536 Chadron Avenue, Hawthorne, California, 90250: Award to be made for lowest responsive price.

Tolar Manufacturing, 258 Mariah Circle, Corona California, 92879: Award for highest RFP score.

MBTA reviewed the bid submitted by these firms and found them technically responsive to the solicitation.

If there are other questions regarding the recommendation, please contact the undersigned at 760-285-3479 or joe@mbtabus.com.

Sincerely,

Joe G. Meer
General Manager
